# In Flanders Fields

*In Flanders fields the poppies blow  
Between the crosses, row on row,  
That mark our place; and in the sky  
The larks, still bravely singing, fly  
Scarce heard amid the guns below*

*We are the Dead. Short days ago  
We lived, felt dawn, saw sunset glow,  
Loved and were loved, and now we lie  
In Flanders fields.*

*Take up our quarrel with the foe:  
To you from failing hands we throw  
The torch; be yours to hold it high.  
If ye break faith with us who die  
We shall not sleep, through poppies  
grow  
In Flanders fields.*

**By Lieutenant-Colonel John McCrae**

John McCrae was a member of the Canadian Medical Corps. He was an artillery veteran of the Boer War in South Africa and was described as a person

with the eye of a gunner, the hand of a surgeon, and the soul of a poet when he went into the line at Ypres on the 22nd of April 1915.

Lieutenant-Colonel McCrae came away from Ypres with 13 lines scrawled on a scrap of paper. The lines were a poem which started: "In Flanders fields the poppies blow...."

# Hot Apple Cider

*Beat the cold with a hot cup of cider. Start with only 6 strips each of the orange and lemon peel, and adjust to taste.*

Prep Time: 5 Mins/Total Time: 15 Mins /Serves 6

**Ingredients:**

- 6 Cups of Apple cider
- 1/4 Cup Real Maple Syrup
- 2 Cinnamon Sticks
- 6 Whole Cloves
- 6 Whole Allspice Berries
- 1 Orange peel, cut into strips
- 1 Lemon peel, cut into strips
- Square Cheesecloth

**DIRECTIONS:**

- Pour the apple cider and maple syrup into a large stainless steel saucepan.
- Place the cinnamon sticks, cloves, allspice berries, orange peel & lemon peel in the centre of a washed square of cheesecloth; fold the sides of the cheesecloth to enclose the bundle, then tie it up with a length of kitchen string. Drop the spice bundle into the cider mixture.

- Remove the cider from the heat. Discard the spice bundle. Ladle the cider into big cups or mugs, adding a fresh cinnamon stick to each serving if desired.

Cheesecloth is a specially designed fabric which was originally used in cheese production, hence the name. There are numerous other uses for cheesecloth, primarily culinary. It usually takes the form of a loosely woven cotton gauze, and is readily available from culinary supply stores as well as some sewing shops. In many cases, cheesecloth is also reusable, although it will break down eventually.

Don't have time to go to the grocery store for cheesecloth? If you need a substitute, try using nylon stocking. Always wash and dry before use.
